

Greetings Everyone

It's hard to believe how quickly this new season has come upon us. But again, we're in "departure mode". So many are planning a November get-away and others in early December.

The Canadian Club is already set for our 2024-25 season. Our registration opens on Wednesday, November 20th in Le Club Activity Center, Room C, from 9:30 am to 11:00 am. On this day, we will only be issuing memberships (renewals and new members), and tickets for the Welcome Dinner to be held on December 15th, 2024. This event will be a memorable way to begin our Florida season. See the flyers below for all the information. This event is open to members only (as are all our activities.) Tickets must be purchased in advance.

At the subsequent Wednesday morning registrations, we will be enrolling members for other events and activities. Watch your emails for details.

Our first General Meeting takes place on Tuesday January 7th, 2025 in Le Club Theater. Our guest speaker will be Steve Pinkus, who will discuss the results of the polling that his company and FAU did, as well as explaining the ramifications of the American election both for the United States and for us in Canada no matter what the outcome

was on Nov. 5th. All you will need to attend is your 2024-2025 membership card.

We have confirmed two separate dates for our visits to the **Waste Authority of Palm Beach**, where you will learn what happens to the garbage and recycling once it leaves the curb. One is on January 13th, and the other on February 6th. A limited number of places are available, so register early.

Back this year by popular demand will be a visit to the **Model Train Museum** right here in Deerfield Beach.

SAVE THE DATE: On Tuesday, February 25th, 2025, we will be having an evening of music and dancing with The Dixie Chicks.

Other programs and outings are still in the planning stages. Keep checking this website for details.

See you all in Florida

Judy Beutel, President, Canadian Club CVE
